**Subject:** Forres CPO

Hi [REDACTED]

We are progressing a CPO for land which has no clear owner at Forres for the access road which is part of the CM project 5005800000. We provided Scottish Government with a copy of the ELT meeting minute where use of CPO was confirmed but they have asked for confirmation we should use CPO specifically for the Forres project.

Would it be possible to get Mark Dickson to email [REDACTED] confirming we should progress with CPO to acquire the access track where we have not managed to reach agreement with the landowners.

The affected land owners are Church of Scotland and an unknown landowner (previously

thought it was owned by Altyre Estate but extensive title searches have been inconclusive)

Please let me know if you have any queries or need any further information

Thank you
