Who we are

Scottish Water

Trusted to serve Scotland

Working with their delivery partner

On projects, such as Kiltarlity Waste Water Treatment Works (WwTW), Scottish Water (SW) frequently work in partnership to develop solutions with trusted partners. On this project, Efficient Service Delivery (ESD) will be the principal contractor.

There will also be some subcontractors, although it is too soon to identify who will be appointed but we will update you as and when new contractors come on board.
