Taking care of your water supply

Welcome to our information event

Scottish Water is investing in a series of significant projects at Milngavie reservoirs over the next 18 months.

The multimillion-pound investment will deliver

- Improved security of supply to over 700,000 customers across Greater Glasgow.
- Implement a range of measures that will enhance visitor access and experience.
- Preserve the historic site's unique listed characteristics.

The objectives of today's event are:

- To provide information on our plans
- To discuss how we can manage the impact of construction work
- To answer questions and discuss any concerns

We have information on:

- Where work will take place
- What the proposed investment means for you
- What happens next and how you can keep in touch
