# Taking care of your water supply

## What are we doing

**We are taking care of the water services in your community by upgrading the water main in Port Ellen.**

- **We are currently in the final planning stages of project.**
- **Works are expected to take around 12 months, with some reinstatement to follow.**
- **Various traffic management set ups will be required as we move through the town.**
- **There will be a Road Closure between Western Cottage and Emerivale Cottage, Emerivale for approx. 4 weeks during the project.**
- **Please follow all signs put in place during these essential works.**
