

using water wisely

tip 2

Use a watering can instead of a hosepipe in the garden.

A hosepipe can use enough water to fill two 10 litre watering cans every minute.

save water... save energy...
save the environment

It's not about the water we use, it's about the water we waste. For more information about using water wisely in and around the home visit www.scottishwater.co.uk or call our **Customer Helpline** on **0800 0778778**.
