

Our schools work placement programme provides educational and experiential work placements for young people.

What to expect as a successful applicant

You'll get valuable work experience and will be asked to carry out tasks much as an employee would, but with the emphasis on learning about the job and our company.

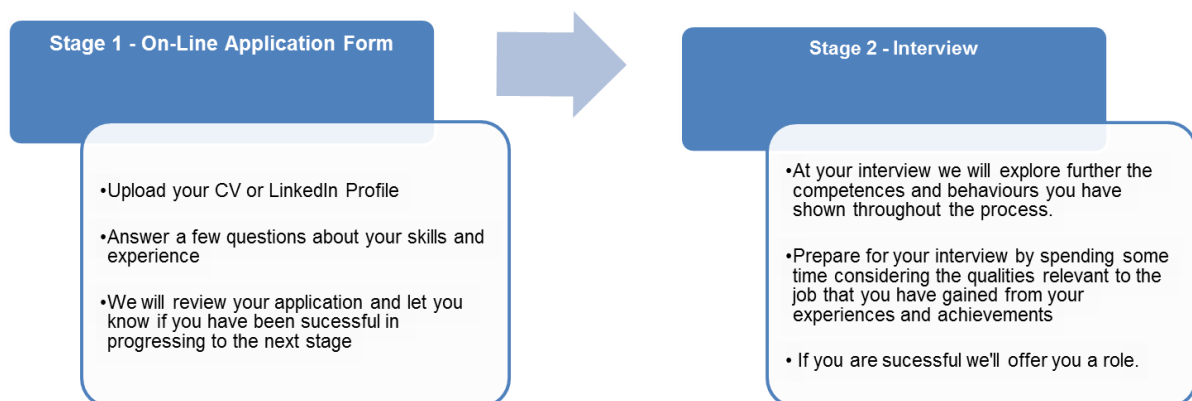

We have over 60 trained coaches across 11 of our main office locations who may be able to support educational placements.

They are trained to use their skills and knowledge in creating learning plans, coaching, listening, giving and receiving feedback and Equality and Diversity.

They're passionate about developing and supporting young people within this programme.

Application process

If you are interested in a placement, our Work Placement Process below guides you through the steps you will need to take.

If you would like to see a current list of possible locations for available placements, visit www.scottishwater.co.uk/careers.

For further information on Work Placements please email: SWRecruitment@Scottishwater.co.uk.

Information for schools and parents

Our schools work placement programme provides educational and experiential work placements for young people in line with the Curriculum for Excellence.

By offering a range of work experience places we'll help to develop the skills and confidence of our young people and help support a sustainable future for Scotland.

We specifically aim to support Curriculum for Excellence as a strategy in Scotland by actively encouraging the development of our young people as:

1. Successful Learners
2. Confident Individuals
3. Responsible Citizens
4. Effective Contributors

Work Placement Office Locations

We have trained coaches who can support educational placements for young people at a number of our locations which are listed overleaf.
