Schedule of Rates – Meter Charges

for 1st April 2024 to 31st March 2025

This Schedule of Rates lists the standard charges for services related to water meters. The amount you will pay will depend on the size of the meter required to serve your house/dwelling and the type of installation required. The average metered household customer will typically have a 15mm or 20mm water meter installed.

Survey charges
